Staying Safe in London

Smart Travel Habits

Students should keep phones, wallets, and valuables secure and out of sight when travelling around busy areas. Inside pockets, zipped bags, or money belts are strongly recommended. Cross-body bags are encouraged for added security and convenience.

The Tube

Students will travel in supervised groups during London Underground journeys, guided closely by staff and EST guides.

General Safety

London is a busy international city. Students will receive detailed safety briefings and remain supervised throughout all activities.

Building independence while maintaining clear supervision and structure.
